About...

Second Chance at Life is a 501(c)(3) nonprofit that provides financial support to transplant patients in Michigan who cannot otherwise afford prescriptions, medical bills, and other necessities during and/or after a transplant.

Since inception, the nonprofit granted more than \$250,000 to transplant patients and participating transplant hospitals in Michigan. Most of that money was generated from fundraising events like our annual golf outing!

2017 Golf Outing

This is the 13th Annual Second Chance at Life Golf Outing. We're excited to offer you the opportunity to enjoy a game of golf while benefiting trans-plant patients throughout Michigan.
