SECOND CHANCE AT LIFE

32591 JUDY DRIVE

WESTLAND, MI 48185

WWW.SECONDCHANCEATLIFE.ORG

OUR MISSION

Second Chance at Life provides financial support to transplant patients in Michigan who cannot otherwise afford prescriptions, medical bills, and other necessities during and/or after a transplant. Second Chance at Life also works to increase awareness of the need for individuals to register as organ donors and supports research to improve treatment and care for transplant patients.

President's Message

We may be winding down our events as we approach the end of the year, but we're already making big plans for next year's activities!

We celebrated a lot of success in 2016, raising over \$60,000 through individual donations and fundraising events.

Our signature events continue to be successful, but this year we had several small events throughout the year that reaped big rewards. Our Alex & Ani shopping days, holiday fundraiser at Farmer John's Greenhouse, the Hold on to Hope clothing sale, and the Grosse Pointe Winterfest all helped us make 2016 a big year.

Every little bit helps, so if you have a creative fundraising idea for SCAL please contact me! We love finding new ways to engage our supporters year-round.

We've already set several dates for 2017 events, so please add these to your calendar and stay tuned for more information!

As we close on another year here at SCAL, I want to thank you for your ongoing support. Whether you've come to one event or every event, whether

you've donated money, time, or both, we couldn't do it without you. We are volunteer-run and rely on everyone pitching in to accomplish all that we do. It is such a wonderful feeling to see your energy and support for organ donation and for transplant patients in Michigan.

I wish you and your family the best this holiday season and hope to see at our events next year!

SHELLY MORELL, PRESIDENT

Bravelets: If online shopping is more your speed, head to www.bravelets.com/bravepage/second-chance-at-life. \$10 from each item sold will support SCAL.

Board Spotlight: Patricia Stull

What started as two friends chatting at soccer practice turned into a new passion for Patricia Stull. Her daughter played soccer with Shelly Morell’s daughter. As the two mothers got to know each other they began talking about their volunteer work.

“I’m an organ donor and have seen firsthand how it can save lives,” she says. “I would give anything to spend more time with my grandma. I wanted to work with an organization that could help people spend more time with their loved ones and I feel like Second Chance at Life does just that.”

Second Chance at Life has become an extension of Patricia’s family since she joined the board in 2011.

She has co-chaired our annual Bowl-A-Rama for the last five years, putting her own mark on the event. She’s also gotten her workplace, DTE Energy, involved as a sponsor the last few years.

In addition to her work with Second Chance at Life, Patricia is a busy mom of two and recently got married.

“My husband talks about the organization and our involvement every chance he gets!”

SCAL capitalized on that enthusiasm and her husband Ed now serves on our Advisory Committee! We’re so grateful for all that Patricia and Ed do for Second Chance at Life.

Second Chance at Life is a 501 c(3) nonprofit.

Become a Second Chance at Life sponsor!

We are always looking for individual and corporate sponsors for our events. Our sponsors help us offset event costs and maximize the amount of money we grant to transplant patients.

For business owners, our events can increase your company’s visibility by reaching a variety of people throughout southeast Michigan, including healthcare professionals, business owners, nonprofit leaders, and those affected by organ donation and transplant.

If you don’t own a business, don’t let that stop you! There are opportunities for individuals and families to get involved and take advantage of some of the great sponsor benefits.

To learn more about sponsoring a 2017 event, contact Shelly Morell at smorell@secondchanceatlife.org
