

Pugh Scholarship Fund

The Pugh Scholarship is awarded to those individuals or family members of someone who is directly impacted by organ, cornea or tissue donation. The scholarship encompasses organ recipients and their immediate family members. We recognize individuals based on academic achievement, leadership and community service.

This scholarship is awarded to an organ recipient and transplant candidate. It offers a \$2,500.00 scholarship to one deserving candidate. The scholarship will be open to high school seniors and college students.

Distribution and Funding

The scholarship funding will be made directly to the recipient's college or university. The applicant must provide evidence of current enrollment to the college or university prior to receiving the reward. If evidence is not provided, the scholarship will be forfeited and will go to the next applicant.
